Dear Sirs:

RE: United States Patent Application No. 10/043,344
Applicant: Sheena M. Loosmore et al.
Title: TRANSFERRIN RECEPTOR GENES

We have received no response to our letter of May 30, 2002, copy enclosed.

Submitted herewith are Declarations by the inventors with respect to the matter in the form noted on the reverse of the Notice of April 26, 2002. It is noted that the signature of Pele Chong is missing. This inventor has refused to sign any documents received in connection with other filings (see for example, Petition under 37 CFR 1.47(a) in Application No. 09/958,605) and hence we are submitting two sets of Declarations, one wherein each inventor has signed on his own behalf and the other wherein each inventor has signed on behalf of Pele Chong.

Yours truly,

Michael I. Stewart
